SUBMISSION OF TRANSCRIPTS, LETTERS OF RECOMMENDATION & ADMISSIONS INTERVIEW

As applications are received, they are evaluated by the admissions staff and subsequently by the Academic Acceptance Committee. Before a candidate is accepted, all official transcripts must be received by St. Francis. Prior to consideration, an admissions interview must be completed; however, not all applicants are guaranteed an admissions interview and admission decisions can be rendered on the basis of a submitted application. Therefore, applicants are encouraged to submit unofficial transcripts, letters of recommendation or employer endorsements prior to, or in conjunction with, the submission of their online application, since admission decisions can be rendered once such application is submitted.

Guideline 2.3(D) of the Guidelines for Unaccredited Law School Rules provides:

The method of instruction at this law school for the Juris Doctor (J.D.) degree program is principally by technological means including interactive classes.

Students enrolled in the J.D. degree program at this law school who successfully complete the first year of law study must pass the First-Year Law Students Examination required by Business and Professions Code 6060(h) and Rule VIII of the Rules Regulating Admission to Practice Law in California as part of the requirements to qualify to take the California Bar Examination. A student who passes the First-Year Law Students Examination within three (3) administrations of the examination after first becoming eligible to take it will receive credit for all legal studies completed to the time the examination is passed. A student who does not pass the examination within three (3) administrations of the examination after first becoming eligible to take it must be promptly disqualified from the law school's J.D. degree program. If the dismissed student subsequently passes the examination, the student is eligible for re-enrollment in this law school's J.D. degree program, but will receive credit for only one year of legal study.

Study at, or graduation from, this law school may not qualify a student to take the bar examination or to satisfy the requirements for admission to practice in jurisdictions other than California. A student intending to seek admission to practice law in a jurisdiction other than California should contact the admitting authority in that jurisdiction for information regarding the legal education requirements in that jurisdiction for admission to the practice of law.

St. Francis' internal academic regulations are in many cases more stringent than those promulgated in the above disclosure statement and students are urged to carefully read this St. Francis General Catalog for further information.

I hereby apply for admission to St. Francis School of Law. I have met all academic, financial, and other requirements described in the General Catalog. I understand that all application materials sent to St. Francis School of Law become the property of St. Francis and will not be returned. I hereby affirm that the above information is correct and true. I understand that any misrepresentation of this information will be cause for immediate disciplinary action which may include expulsion from St. Francis School of Law.

I also understand that my application will not be processed until the non-refundable application fee of \$55 (US) has been paid.

All information on this application is true to the best of my knowledge.
